

Annmarie Garden Scholarship Guidelines

Thank you for choosing to apply for an Annmarie Garden Scholarship! Annmarie Garden is committed to nurturing the creative spirit and artistic talent of all members of our community. This scholarship program seeks to make our inventive classes, workshops, and camps available for everyone.

Scholarship grants are available for all classes listed in our course catalogs. While some full scholarships may be available, we encourage participants to contribute as much as possible toward their total registration costs. Scholarship applications are reviewed and accepted on a first-come, first-serve basis. To best serve our public, applicants who have already received an Annmarie Garden Scholarship this year will be considered after new applicants. Recipients of Annmarie Garden Scholarships are required to send a follow-up report within 2 weeks of the completion of the class in order to be considered for future scholarships.

To apply for a scholarship, please complete the following:

APPLICATION FORM – Please complete the form attached to this letter.

STATEMENT OF INTEREST- Please describe why you would like to be a student in this specific class and why you should receive this scholarship. Students under the age of 12 may ask a parent to help, but our expectations are age appropriate and we encourage all applicants to craft their own statement. This can be any kind of composition—be creative!

SCHOLARSHIP APPLICATIONS MUST BE RECEIVED ONE MONTH PRIOR TO THE DESIRED CLASS. We will notify you of acceptance within two weeks prior to the desired class.

The Annmarie Garden Scholarship Program is supported by SABRE Systems, Vince & Evelyn Hungerford, and Julianne R. Posey.
